

Dear Prime Dental Family,

We are excited to announce that our office will be back on regular hours on May 4th, 2020, as approved by the Dental Board and the state, ready to serve all your needs toward overall wellness. Right now, we all want to stay healthy more than ever, and **Your Health** is very important to us. Oral health is **essential** to your **whole body health** and we want to help you get there.

Our community has been through a lot over the last few months. While many things have changed, one thing has remained the same: **Our Commitment To Your Safety.**

We have made outstanding changes to ensure your protection and safety..

- Our office will communicate with you beforehand to ask screening questions. *Please make sure we have your mobile phone number for ease of communication at this critical time.*
- We will be taking touchless temperature from staff and patients as part of screening.
- **Once you check in at the front and get your temperature taken, we ask that you wait in the car. This is to minimize the number of people in the lobby.**
- We will be providing hand-sanitizer throughout the appointment.
- All of our team members, including our front office team, will be wearing masks and following the CDC guidelines.
- We will be regularly cleaning and wiping handles, chairs, and counters in the lobby throughout the day in between patients.
- *We ask that you wear a mask when coming to the office for everyone's safety.*

We look forward to seeing you again and are happy to answer any questions you may have about the steps we take to keep you, and every patient, safe in our practice. Please call our office at 520-886-2822.

Thank you for being our patient. We value your trust and are excited to welcome back our patients, neighbors, and friends.

See you soon,

A handwritten signature in black ink, appearing to read "Sarah Kym". The signature is fluid and cursive, with the first name "Sarah" written above the last name "Kym".
